ALMA MATER

In our dear old Carbon County,
In the midst of town,
Towers our highly cherished building
As the sun goes down.

Chorus

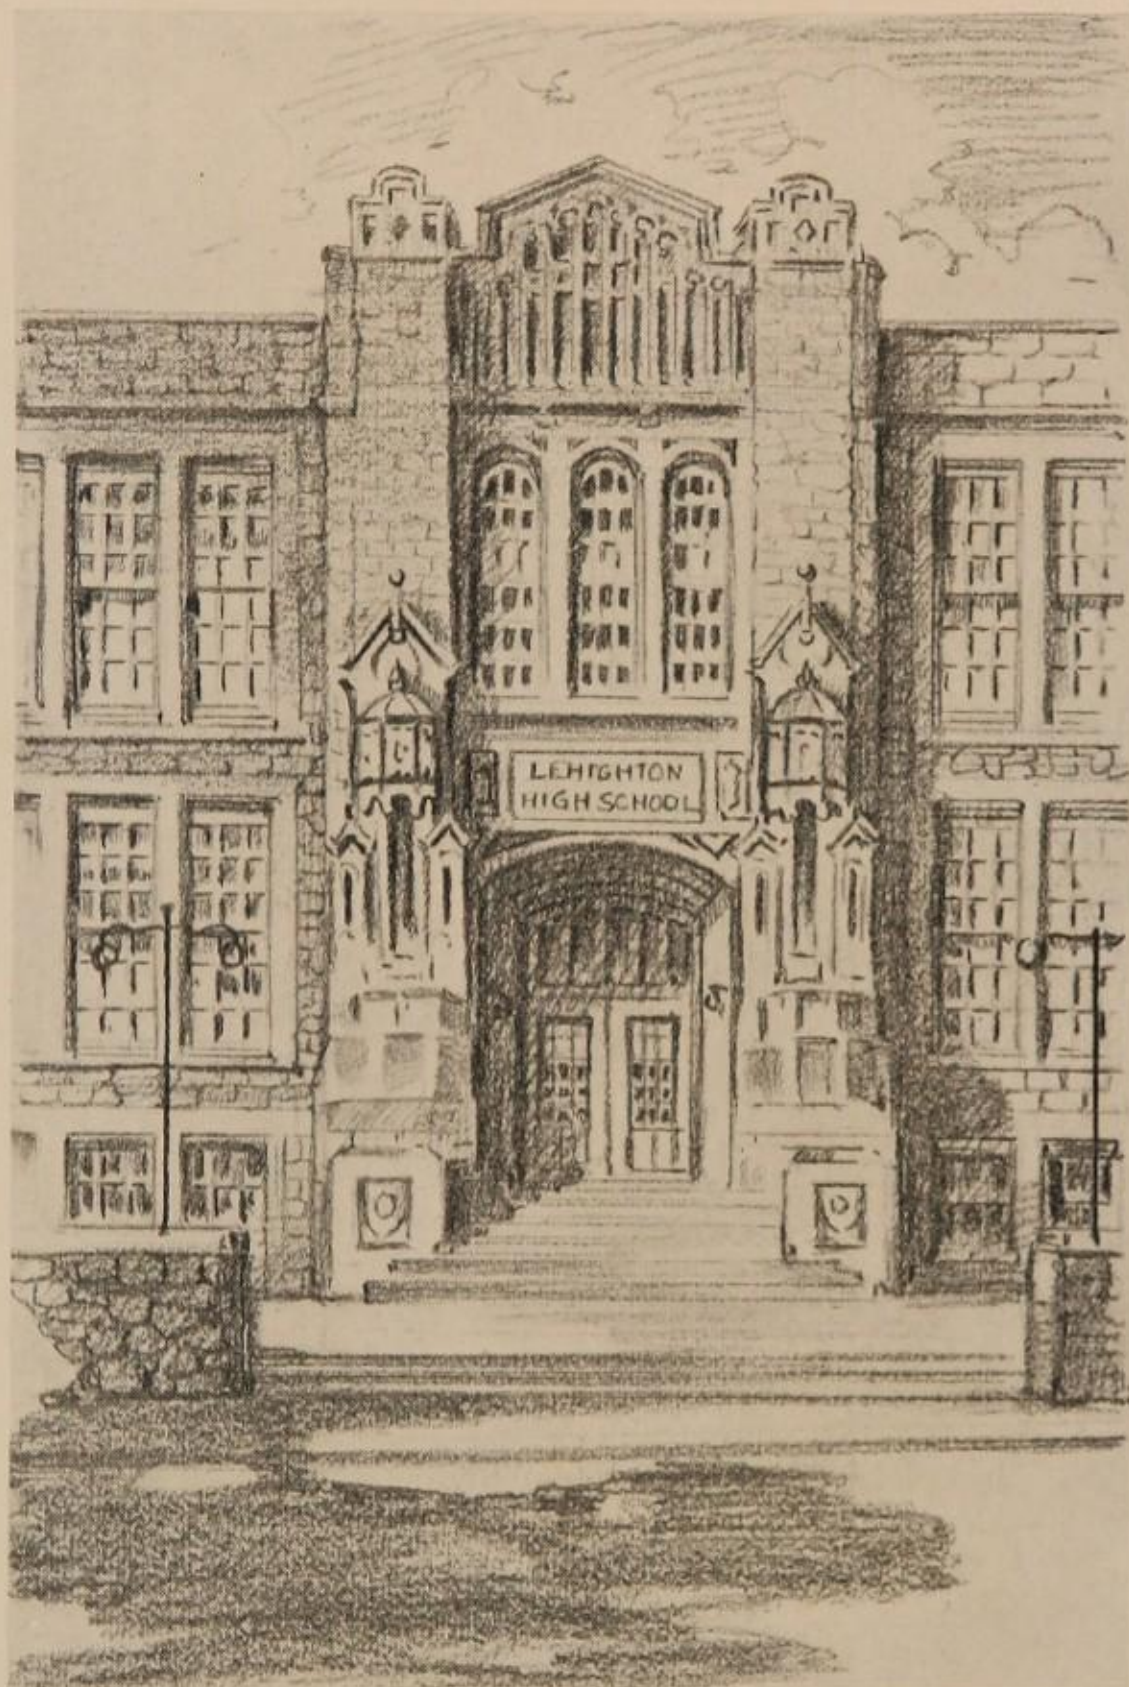

Swell the chorus ever louder,
In her praise delight,
Hail to thee, our Alma Mater
And Maroon and White.

Far above the Lehigh waters,
With its waves of blue,
Stands our noble Alma Mater
Glorious to view.

Chorus

When the day will come to leave her,
O'er life's sea we roam,
We will always sing these praises
To our Lehighton home.

SENIOR CLASS HISTORY

The crew of our good ship, "Class of '31", had been carefully prepared for their four-year High School voyage in the grade schools of Lehighton and vicinity. They felt themselves fully equipped and so they launched the ship with a good organization under faculty guidance. The first or Freshman league was sailed somewhat timorously but nevertheless quite successfully as proven by our accomplishments. We won second prize in the annual Hallowe'en Parade. We also won the victor's crown in the Sophomore-Freshman football game.

During our Sophomore year we continued to sail ever forward. We again won the Soph-Frosh football game and gave several men to the Varsity squad. Basketball, baseball, and track came in their order and we did well in all these sports. Socially we entered the Hallowe'en Parade and enjoyed a Hallowe'en Party. Everyone attended these functions and went away pleased.

We returned to L. H. S. our Junior year as pirates and in that capacity put out our piratic Year Book, *Gachtin Bambil*, successfully. The splendid rendition of three one-act plays was made possible by the co-operation of the whole class. In all the athletic sports we were represented by boys who put their whole heart into the game and came out successful if not always victorious. Our Junior year was well spent and the class earned the commendation, "Well done."

We started on the last league of our journey as Seniors, with 103 members. We tried hard to live up to and surpass the standards set by the other classes. Our class furnished nine of the men on the Varsity football team, five on the basketball team and we were well represented on the other teams. The whole crew "fell to" and made the class play, "To the Ladies", a huge success. All other class projects were ended successfully and the crew made ready for the Commencement Exercises.

After these pleasant but saddening services were over the class was broken up and each member went out to seek a goal and thereby be worthy of his Alma Mater.

The class is and ever will be grateful to our esteemed faculty who always extended a helping hand in time of need to remove obstacles and make our voyage pleasant and successful.

Each member of the crew was admonished to take our motto and make it a personal one, always remembering that—

"If we rest, we rust".

—F. P. B. '31

DONALD ANTHONY "Jack"

"Jack" is an athlete bold
And plays both hard and well;
What "Jack" will do in future years
Only time can tell.

EVELYN ANDREAS "Evvy"

Evelyn is our Beechnut chewer
Who types with zest and zeal;
She is often seen at the five and dime
Putting over a ten cent deal.

THOMAS BALLIET "Tommy"

You'll know our Hercules, "Tommy",
By his Samson's curly hair,
He always knows his lessons (?)
And never has a care.

LENETTA ASPLIN "Nita"

This is "Nita"
Industrious and bright,
Strive on, "Nita",
You'll win the old fight.

MARSHALL BEGEL "Begel"

"Begel is not athletically inclined
But passes his time in other ways;
He toots his French horn most of
the time
And plays duets with his friend,
"Babe".

GRACE BEERS "Dolly"

"Dolly" comes from East Mauch
Chunk
A nurse she intends to be;
She'll be loved by all her patients
Because of her personality.

RALPH BEISEL "Chick"

"Beisel" is an all-round athlete
And helps us win our games;
Interested in a certain person
But won't tell us her name.

CURTIS BLANK

"Curt"

"Curt", our human skyscraper,
Is as thin as he is tall;
But that is not a hindrance
In his playing wonderful ball.

ADA BOYER

"Ada"

She does her lessons every day
We're sure, the way the teachers wish.
How else could she contrive that way
Of knowing more than us poor fish?

CHARLES BLOSE

"Charlie"

"Charlie" from little Parryville hails
And studies on the way to school;
A bright star in "Trig" and Chemistry
Tho' absent in fall from school.

MYRTLE BURK

"Sis"

To study nursing is "Sis's" aim,
We know she'll be quite handy;
Just now she's employed by Murphy's
Selling gum and candy.

THOMAS BOCK

"Tommy"

A friend of a certain young girl
Is "Tommy", an Academic student;
His class activities he doesn't shirk
He'll find success in the future.

EDITH CHRISTMAN

"Edie"

Always on the Gym floor
Is "Edie", answering the call,
Marching on the Gym Team
Or chasing a basketball.

ARTHUR BOWMAN

"Art"

Behind the gray stone walls
The Sheriff's son resides;
He chose to stay at L. H. S.,
So down from "Chunk" he rides.

FRANKLIN BRETNEY "Skipper"

"Skipper" was our Class President
And tho' he hasn't any wealth
He has so many secretaries
He can't keep tabs himself.

VERDA CHRISTMAN "Verdy"

This is little "Verdy"
Who comes from Beaver Run;
She always knows her lessons
But still has time for fun.

JOSEPH DEHAVEN "Joe"

"Joe's" a small fellow
With coal black hair,
Who slips in so quietly
You don't know he's there.

GERALDINE CLAY "Toot"

"Toot" is assistant librarian,
This seems to be her hobby;
Although she spends a lot of time
Walking and talking with "Bobby".

LEROY DOTTER "Fat"

Though "Fat" takes up a lot of room
He's small indeed for his age;
As fine a baseball player as one can
get
You should see him run around in the
cage.

ELIZABETH DEITERICH "Betty"

"Betty" has been seen in plays,
Her work needs no assistance.
When she wrings jazz from ivory keys
It quite wrecks our resistance.

HARRY FEBICH "Dago"

Harry, our assistant editor-in-chief,
Studies his lessons out of class,
We wonder what makes him so
popular
With the student body mass.

PAUL FLICKINGER

"Pinky"

Paul's a quiet sort of lad
But enthusiastic stamp collector;
Of sports he is a faithful fan
And other functions of that sort.

LILLIAN DIEHL

"Lil"

"Lil" is usually giggling
Or making a lot of noise;
She spends quite a bit of her spare
time
Selling Murphy's toys.

GEORGE FREHULFER

"George"

A Commercial student to be sure
A mighty good fellow;
George has not the athletic lure
But always is true to our high school.

MILDRER DOTTER

"Tootie"

"Tootie" plays the violin,
She studies German too;
Her cheery disposition
Keeps us from feeling blue.

DOUGLAS FRITZINGER

"Doug"

"Doug" our varsity's quarterback
Helped us win our games;
He played on the team for the fun of
it
And surely made a name.

DOROTHY DREHER

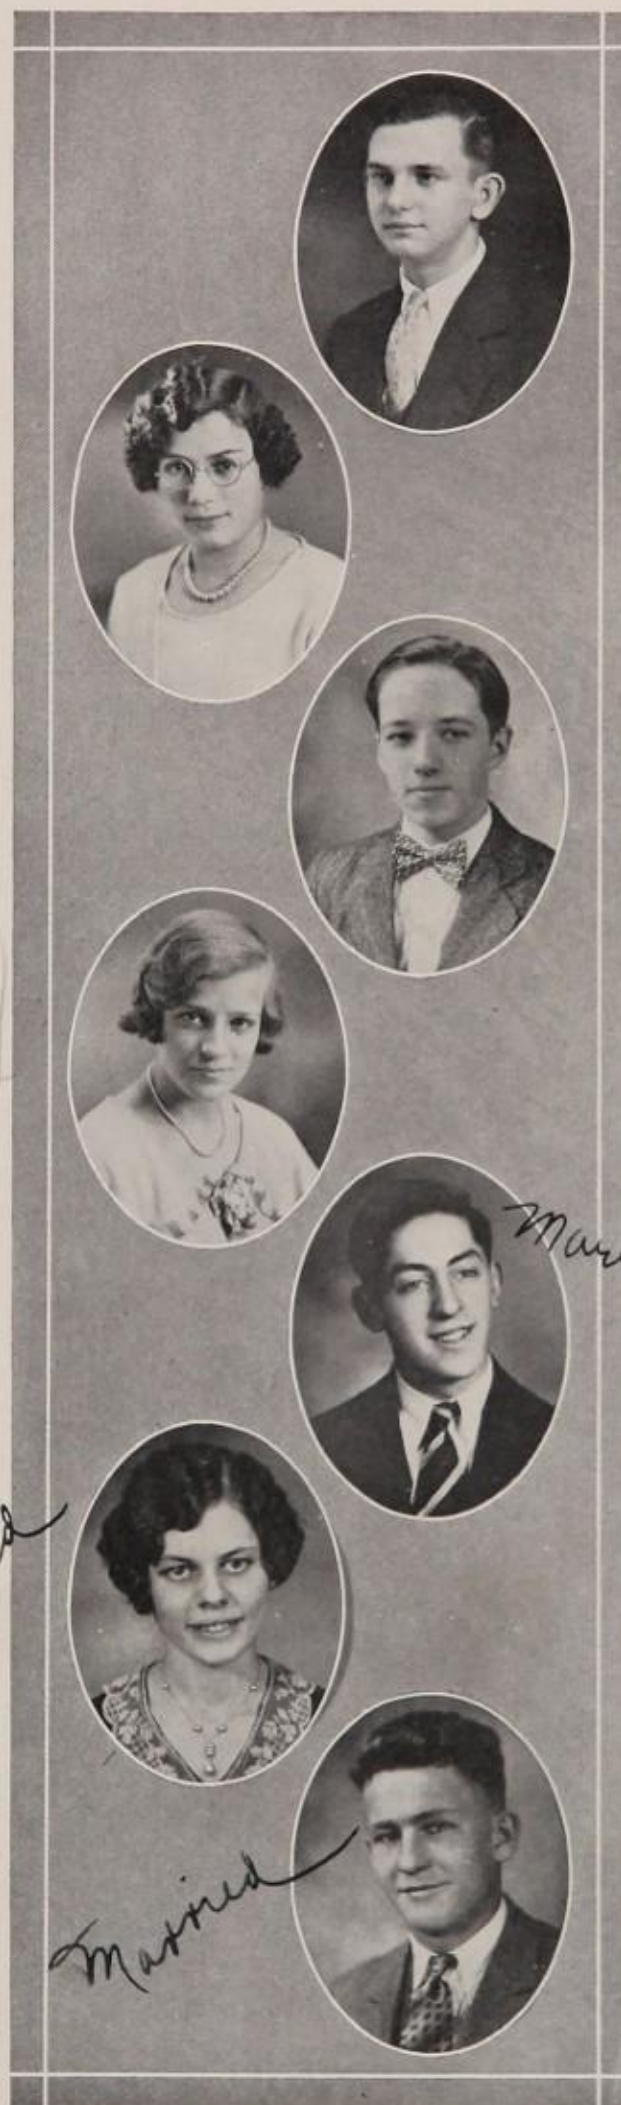

"Dot"

"Dot" is rather quiet
So we think, we may be wrong;
But we know she'll be successful
And in life will get along.

LEWIS FRITZINGER

"Lewie"

"Lew's" a funny fellow
Athletically inclined;
When he is on a gym floor
He has the grandest time.

ALLEN GINDER "Butch"

Now we come to a "hard" guy,
"Butch" Ginder, always full of fun;
He causes no end of trouble
When our basketball games aren't won.

THELMA EDGAR "Peggy"

"Peggy's" pretty face and hair
Make it hard for one so fair
To hold out so long on "men",
Thus delaying saying "when".

Married

ALLEN GREEN "Greenie"

Here we have our Allen Green
Who wants to be a farmer;
He drives the tractor for his dad
And surely is ambitious.

MARTHA EMMERT "Fat" ✓

"Fat" gets a kick out of telling jokes;
She and "Sandel" are always
together;
She doesn't have a care in the world;
Thru all her life she'll have sunny
weather.

WILLIAM HAHN "Babe"

"Babe" is musically inclined;
In the High School Orchestra he
plays;
He's cheerful and happy all the time
And has his winning ways.

AGNES ESCH "Kitty" ✓

When Merlin looks into his crystal
ball,
"Kitty" as a nurse he sees;
Altho she dare not tickle her
patients
She surely can tickle the typewriter
keys.

EUGENE HAIGES "Gene" ✓

"Gene" is our debater
Is bright and knows his stuff;
He argues with pupils and teachers
Till he leaves them in a huff.

STANLEY HARLEMAN "Stump"

"Stump" is one of our many athletes
Who played on our football squad;
In sports you always see him round
As though by some duty bound.

MARTHA FLYZIK "Marty"

Here is "Marty", a fair young
maiden
With pals and friends by the dozen;
She talks quite a bit about Toddy,
We don't know, it may be her
cousin????

THOMAS HEILMAN "Tommy"

"Tommy" comes from the country
About whom we know not a lot;
But sometimes he knows his lessons,
Others he does not.

SYLVIA GRUNEBERG "Syl"

Miss Gruneberg has auburn hair
(She won't have you speak of it)
Tho' brains may bring her sweet
success,
Titian tints help quite a bit.

ROBERT HILL "Bob"

"Bob" takes the Commercial Course
He also plays first violin;
His marks they could be far worse
indeed
A little struggle and he's sure to win.

MARGARET HAGER "Mags"

"Mags", our Senior Commercial star,
On the stage makes good appearance;
We are sure that in the future
She'll not have much interference.

ROBERT HONTZ "Bob"

"Bob" is an ardent critic
In basketball, too, he stands out;
He always reads his lessons but
Doesn't know what they are about.

EDWARD HOUGH "Eddie"

Edward Hough we are quite sure
Enjoys the parental car;
In fall a-hunting he does go
And plays a hide-and-seek war.

HELEN HAHN "Pickles"

Externally she seems to be
A girl who labors quite a lot
And takes life very seriously;
But let us tell you she is not.

ROY HOUSER "Roy"

Roy is high opinionated
His ideas will never change;
He's known as a debating expert
Which isn't so very strange.

Married

ROZELDA HEILIGMAN "Zelda"

This companionable one
Is cheerful humorous and so
Of all the folks beneath the sun
She is the nicest one to know.

RUSSELL JACOBY "Jake"

Though he only came in '29
"Bethlehem Jake" has found his
place;
When he is with a certain Miss
He always sets the pace.

Married

MILDRED HELD "Heldy"

She's a student, little Held,
All it implies "Commercially",
And so we stand and wonder at
The things she does athletically.

EDGAR KANNAPEL "Korker"

"Korker" plays a huge bass viol
And always is glad to render a tune;
In interclass games he helps to win
And has a delight in drawing
cartoons.

✓

FREDERICK KISTLER

Married
"Freddie"

"Freddie's" our actor without a doubt
He made a hit in "To the Ladies";
And likes to spend his extra hours
With a certain fair young lady.

PEARL HILLER

Married
"Pearl"

Here is a future teacher
Who we know will be a success;
To every one of her pupils
Pearl will bring happiness.

FRANZ KLINE

"Franz"

Franz is our school paper's artist
Though his line is academic work;
He pesters most all the teachers
But his work he never shirks.

MARION HOUSER

Married
"Marion"

Marion comes from Fourth Street,
She's usually in a rush;
She likes to tell her girl friends
About her latest crush.

ERNEST KOEGEL

"Ernie"

"Ernie" may be quiet
But oh! how he can dance;
He'll be a "butter and egg" man
If he'd only grab the chance.

ROSE ISENMAN

Married
"Isaman"

Rose Marie, a cheerful soul
Who exiles gloom, dispenses joy.
As a nurse no doubt she'll lead
To the altar, some nice boy.

WESLEY KREIDLER

"Wes"

"Noah" is the school team's manager
Has a record of his own to boot;
You can find him in Mr. Ginder's
office
Getting scores and rules by the foot.

CARL LANGKAMER "Lang"

"Lang" as a rule doesn't bother with girls(?)

To his studies and sports he's true;
His name you'll find on the Honor Roll

It isn't?—oh, that's nothing new.

married

FRANCES KLINGER "Babe"

Little "Babe" is one of those
Helpful girls who flit about
The library. For here's a girl
We'd hate to get along without.

✓

PAUL LAURY "Polly"

When it comes to playing piano
Look at "Polly" and you'll see
A musically talented lad of our class
A musician some day to be.

married

DOROTHY KOCHER "Dot"

"Dot" comes to us straight from
North
Weissport. Smiling, pleasant, kind,
Good in Physics and so forth,
Lessons don't leave her behind.

ARNOLD MANGOLD "Arnie"

"Arnie" sometimes isn't with us;
Where he is we do not know;
Maybe he has other business
Or perhaps he has a cold.

✓

MARY KRAMER "Mary"

Let us pat her on the back
For the fine things she has done.
Speaker, student; there will be a
Place for Mary in the sun.

JOHN McCARTHY "Johnny"

"Johnny" conducts our school band
And plays the kettle drum;
On the xylophone he lends his brand
What more can be expected from
someone?

MARVIN MERTZ "Marvie"

"Marvie" is an ambitious student
And his duties never shirks;
He loves to translate Latin
And thinks its pleasant work.

ALTHEA KROPP "Teak"

This Kropp is very dark and so
Petite and cute we will not be
Surprised when she picks out a beau
To sail the matrimonial sea.

MILES MERTZ "Brute"

"Brute" is the midget of our class
But in brains ranks in the highest;
He often passes time away
By reading "Works of the Wisest".

MARY KRUM "Mary"

To be somebody's "stenog"
Seems to be Mary's doom;
If you ever want to find her,
Look in the typing room.

CHARLES RABUCK "Puffer"

"Puffer's" a rather good fellow
Who has most excellent attractions;
He'd be on the Honor Roll, we're sure,
If there weren't so many distractions.

ANNA LEVINE "Skinny"

Out of Weissport comes "Levine",
In somebody's limousine.
Seriously, we're glad she's here
Brightening up our school career.

WOODROW SEMMEL "Woody"

When it comes to minding one's
business
Our "Woody" takes the cake;
Tho' he often does come late to school
In his lessons he's no fake.

IRVING SHAWIN

"Irve"

"Shawin's" ability is very evident
His poetry is ideal;
His intelligence makes him quite
independent
And we're very sure he'll succeed.

RUTH LONG

"Ruthie"

Avoiding idle prattle when
She has scholastic fish to fry,
Ruth's a girl we'd like to catch in
An odd moment. Well, we'll try.

FRANKLIN SNYDER

"Frankie"

"Snyder" is a good looking chap
Thru the years played basketball
games
From the ambition he shows in
classes (?)
We'll soon hear of his fame.

ALBERTA MARKLEY

"Bertie"

Alberta's made her presence felt
In varied fields of school endeavor.
She's energetic, pretty, too,
Which makes us doubly glad to have
her.

PAUL SOLT

"Polly"

"Polly" is an ambitious lad
Who follows the Commercial Course;
To be an aviator is his chief interest
To our successes we add one more.

HARRIET MILLER

"Priscilla"

With Harriet's intelligence and
Brains, is it not strange to you
That she is undecided yet
What course in life she will pursue?

ELWOOD STEIGERWALT

"Elly"

If you have to fix your radio
And can't do it yourself,
Call "Elly", the electrician,
To come and save your set.

NEIL STEIGERWALT "Duke"

"Duke", the honor student of our
classes,
Center also on our football team,
He is popular with the masses
What to the future will he mean?

LEONA MILLER "Loney"

Phifer's Corner is where she
Hails from. Though she's quiet we
Know her homeward trip can't be
Lonesome. She has company.

KENNETH WALCK "Kennie"

"Kennie" hails from Weissport
A jolly good fellow is he;
He takes the academic course
Success, we hope, his future will be.

GLORIA MONK "Glo"

After "Glo" leaves L. H. S.
We hope she'll remember '31,
When she opens her shoppe for
dressing hair
We'll all go there to have ours done.

PAUL WEAVER "Polly"

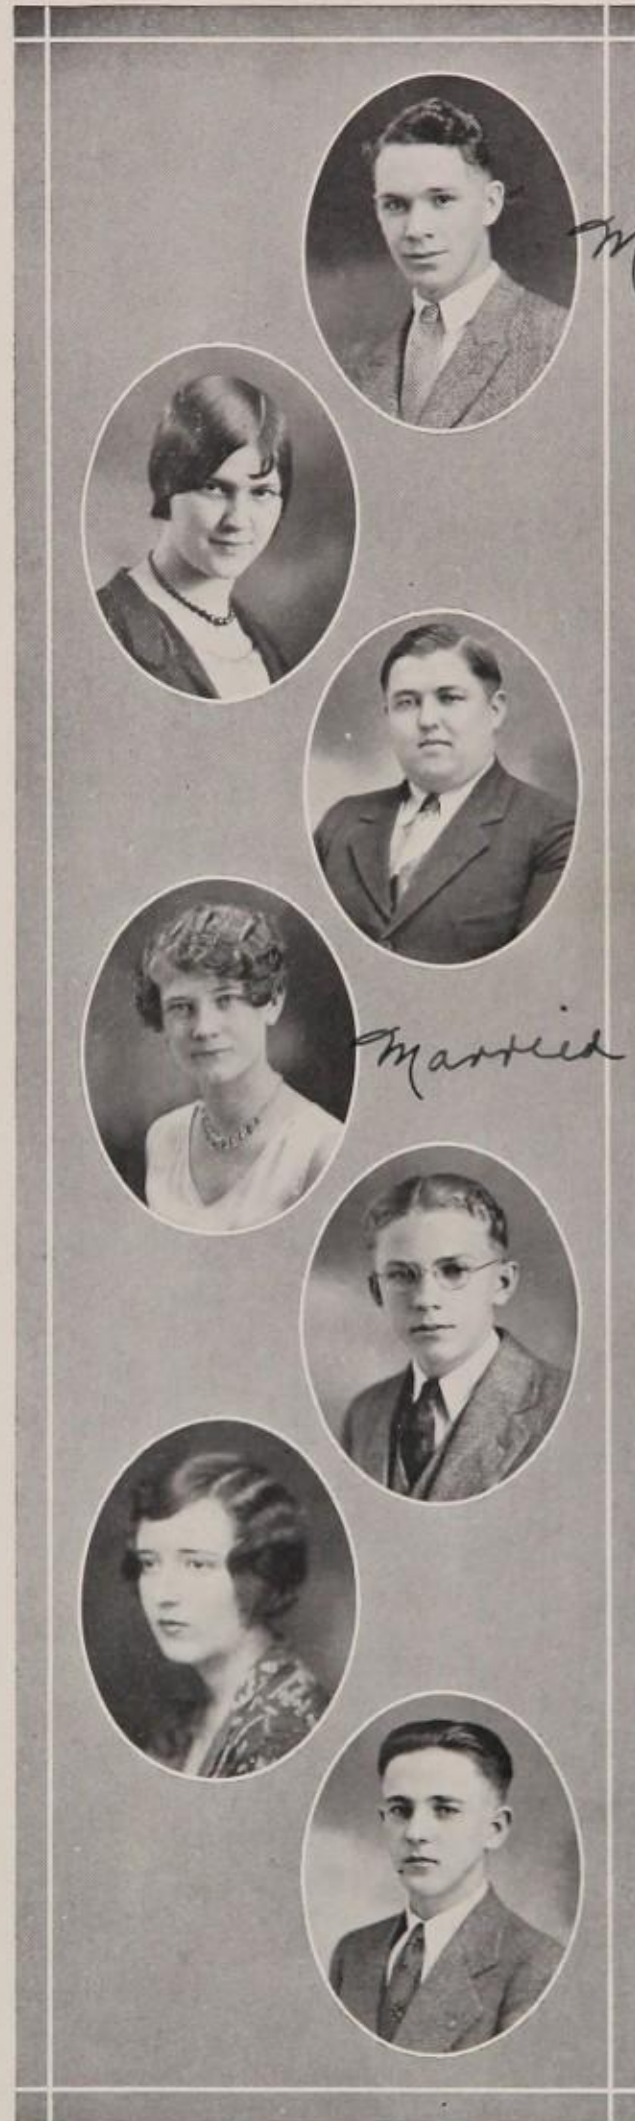

For "Polly's" a jolly good fellow
When on his violin he plays;
He's off of women for his life;
All violinists are; so he says.

MARY MONTZ "Betsy"

"Betsy" is quite a musician
And brilliant in mon, ton, son.
Her art is bold and knocks us dead;
Poems she writes by the ton.

WAYNE WEAVER "Wayne"

"Weaver" is a diligent worker;
He usually has his work prepared;
You could not call him a shirker
For in his classes he's always there.

HAROLD ZIMMERMAN "Hammy" ✓

"Hammy" with his "Trig" book
Always can be found;
Officiating basketball games
His refereeing we know is sound.

Married
HILARIA REHRIG "Mavis" ✓

Commuter's life so well agrees
With fair Hilaria's equipois;
She really should get on her knees
And thank the bus-inventing boys.

Married
EDITH NOTHSTEIN "Edith" ✓

Edith takes the Commercial Course
In typing and Gregg proves efficient;
As a member of our debating team
In arguing she's proficient.

MARGARET REHRIG "Mags"

What "Mags" will do in the future
We really can not guess,
But in any line she follows
We wish her lots of success.

GLADYS OHL "Gladys" ✓

History, German, Chemistry,
Gladys knows from A to Z.
She plans to learn library science
But we'd suggest a "heart" alliance.

SADIE REICH "Bubbles"

Sadie's face is rather new,
Appearing in our Senior year.
For future use we'll wish her luck,
Although she's not got much to fear.

MARJORIE PETERS "Marge" ✓

Truly, here's a busy bee
Toiling much for "el aitch ess",
And that's why little Marjorie
Will certainly attract success.

ELLEN ROOKE

"Billie"

"Billie" was donated to us
By the town across the river.
Since she likes to sing in chorus
She will need the luck we give her.

ARLENE SEBRING

"Bubbles"

Arlene has opened wide the door
Of knowledge by her application.
But we think she's best fitted for
The matrimonial vocation.

CATHERINE SANDEL

"Sandel"

"Sandel" hails from Ninth Street;
Her life is a jolly song;
Her lessons seldom bother her
But still she gets along.

MEDELLNA SENSINGER

"Medellna"

We wonder what would happen if
Medellna, our demurest flower,
Would concentrate her big brown
eyes
Upon the men, full candle-power.

MILDRED SCHLEICHER "Mildred"

This young maiden, Mildred,
Travels from Ashfield every day;
After her graduation
As a teacher she'll wend her way.

Married ✓

Married. ✓

HAZEL SIGLIN

"Hazel"

We think that Hazel has little to say
But we change our minds when she
recites,
For she always knows her lessons
Cause she stays home and studies
nights.

NAOMI STHARE

"Naomi"

Naomi, star guard on our basketball
team,
Surely can dribble and juggle;
When she goes in training to be a
nurse
She'll overcome each struggle.

PAULINE STEIGERWALT

"Polly"

Bowmanstown gives us Pauline,
Every morning sends her forth.
"Polly" studies hard and so
You see, she gets her money's worth.

MATRONA WALCK

"Tony"

What would we do without this child?
She recites with an ease and a
flourish
Uncommon. Without her our singing,
Athletics and so forth would perish.

WINIFRED STEIGERWALT

"Winnie"

The woods are full of Steigerwalts,
But only one has hair so red
And voice so low and mien so shy
And quiet as this Winifred.

To the Freshmen we leave hopes; hopes of becoming almighty Seniors.

To Miss Roedel we leave the future Senior sections; may they agree as readily as we.

To Messrs. Seltzer and Ginder our athletic men leave great gaps in the varsity teams. May they be filled by successors as capable.

Franz Kline leaves his artistic abilities to Charles Krapf, a future Michael Angelo.

We hereby nominate, constitute and appoint Mr. Carl A. Neihoff executor of this, our last will and testament.

In witness whereof we have hereunto set our hands and seals on the twenty-eighth day of May, one thousand nineteen hundred and thirty-one, at eleven forty o'clock in the forenoon.

A PARTING WORD

As a class you are about to leave the High School. You have made your Class history as students by helping to carry on the various school activities. The success of those activities for the last year was largely due to your splendid leadership and service which you gave so willingly and abundantly.

You have finished your course and will pass on to be the men and women of tomorrow. Upon you will now rest the responsibility of American citizenship with all that it implies.

With the hope that you may enter upon life with a broad vision, an unconquerable ambition, a glorious hope, a persistent faith, and an indomitable will, we say farewell.

JUNIOR CLASS HISTORY

In the fall of 1928, on September 6, the plane "Class of 32" started off on an uncertain flight with an endurance record in view. The first thing done by the infant class was the calling of a class meeting whereat the officers were elected and committees organized which were to select the class colors and flower and direct the class in the Hallowe'en Parade, where we took first prize in the Junior High division. At about this time the annual Freshman-Sophomore football struggle took place. The "Class of 32" rocked dizzily and finally lost the hard fought battle. Next came the basketball season to absorb our active interest. The girls were the victors in the Freshman-Sophomore tilt while the boys lost gamely. Section 9-1 organized the "Hot Lunch Corporation" under the able supervision of Miss Wettlin in connection with Civics Class. The Thursday hot lunches disappeared with amazing rapidity and the enterprise, as well as being educational, proved to be highly successful.

On September 3, 1929 the "Class of 32" received its first refueling of knowledge from the refueling ship "Faculty Whizzdom". The engine purred along smoothly, partly due to the fact that the number of passengers had been decreased from 146 members to the 97 who were left to carry on. Hallowe'en again made its appearance and the "Class of 32" zoomed away

with second prize received for our splendid showing in the parade. In the Freshman-Sophomore football gamble our boys received the long end of the 7 to 6 score. Basketball season opened, and after a series of close contests the boys stood second and the girls occupied third place. We, the "Class of 32" finally completed our Sophomore year looking forward to the next term when we would be juniors and publishers of the "32" Gachtin Bambil.

Refueled by the education from the good ship "Faculty Whizzdom" the "Class of 32" at last began one of the most important stages of its journey. On September 3, 1930, with an enrollment of 84 we entered upon the third year of our High School career. From the many members of the class that turned out for the Year Book Club the staff was chosen, which immediately began work on the "32 Annual". Our boys made a good showing in the Inter-Class football games, taking second place. Again, we found basketball season upon us. The girls made a splendid record, emerging as the champion Inter-Class girls' basketball sextet. The boys' quintet made an excellent record in the same sport. During Christmas vacation the Juniors enjoyed a trip to Glen Onoko. Miss Sherer made possible and planned this never to be forgotten holiday. Due to the success of Glen Onoka outing, plans for a visit to the Bake Oven were made and carried out. On March 27 we presented the Class play, "At the Sign of the Pewter Jug", which proved to be another bright spot in our history. We earnestly hope that in the last stage of our happy flight the passengers will carry with them this thought, "In ourselves our future lies."

Our Motto: "Talk Rules the World."

Since the beginning of time, man has been doing all in his power to find a means of conveying thought faster than his "skirted" opponents, but up to this time he has been unsuccessful. The Junior Boys are now trying to do that where in Marconi and Edison have failed. Under the able guidance of Mr. Obert they have organized a "Sewing Circle" which has already grown much in size.

The qualifications for membership in this club are few but require some preparation.

To be admitted as a member one must be at least sixteen years of age, must be a Junior boy, and must have the sense of speech. Not only that, but he must be well read on the ancestry of the present members, as well as his own. He must be able to describe an accident in detail which he did not see. He must be able to talk continually about anybody at the rate of four hundred words per minute for a duration of a half hour, unless by some misfortune he is interrupted by a stray mouse. And lastly, he must be able to thread a needle in a period of three minutes.

Since this matter affects the future of the world, the Junior Boys ask the moral support of the entire male student body.

Sophomores

SOPHOMORE CLASS HISTORY

At the beginning of the 1930-31 school year, the Sophomore class, with one year of High School experience to their credit, returned to the class room to start the second year in High School.

Some members of our class have been separated from us and some have been added to the group.

We were determined that we would work as hard, and maybe just a little bit harder, than we had worked the previous year, to be one of the leading during the year.

Our class participated in the annual Hallowe'en Parade but we were not quite as fortunate as we were last year due to the fact that the Freshmen won first prize.

Finally the day of the great football classic came—the Freshman-Sophomore game. But “woe unto the Freshmen”! Regardless of the determination of the fighting Freshman team, the Sophomores marched valiantly up and down the gridiron to win a 46-7 victory.

Junior High

FRESHMAN CLASS HISTORY

On Tuesday, September 3, we, the class of '34, entered the doors of our High School to finish our years in Junior High, eagerly looking to the time when we would enter the portals of Senior High.

Our first class meeting was called on October 31, at which time we elected our president. We also had the pleasure of hearing two lectures, given by the Presidents of the Junior and Senior classes.

At our second meeting the remaining officers were elected.

Our first social function of the year was the Hallowe'en Parade. We made a splendid showing and easily won our desired prize.

VARSITY FOOTBALL

The Lehigh High School 1931 gridiron team completed a successful season, with only one defeat and two ties to mar a spotless record. Prospects at the beginning of the year were not very bright, but they increased as the date set for the opening game on the schedule gradually drew nearer.

The Maroon and White eleven was one of the two undefeated teams in the Lehigh Valley League. However, because the Maroon eleven had two ties on their record while the Catasauqua team had only one, the Iron Boro team was awarded the trophy of league supremacy.

Lehigh High opened their season before one of the largest crowds to witness a local football game. The crowd was well repaid when they saw a smooth running Maroon eleven triumph over Northampton High by a 20-7 score.

The two following games resulted in 6-6 ties with Catasauqua and Stroudsburg respectively. The next two games resulted in overwhelming 46-0 and 25-0 wins over Whitehall and Emaus.

The following game was played with "our rivals", Interchunk, and resulted in a 33-0 win for the Ginder-Seltzer crew.

Before the largest following that ever accompanied a Lehigh Athletic team, the Maroon eleven traveled to Nesquehoning the following Saturday to receive a 32-0 setback for their one and only defeat of the season.

The "turkey day" classic with the Alumni resulted in a 19-0 win for the undergraduates.

Nine of the first eleven will be lost by graduation for the 1932 team, but the available material in reserve shows promise for another well developed gridiron machine.

Coaches, Mr. Ginder and Mr. Seltzer, deserve all the praise coming to the coaches of a championship eleven.

INTER-CLASS FOOTBALL

The annual inter-class football games ran true to form with the Sophomores scoring a one-sided 33-0 victory over a fighting Freshman team and the Seniors squeezing out a lone touchdown win over the Juniors, the final score being 6-0.

A play-off game for the championship was not deemed advisable this year, and as a result no champions were crowned.

Much interest was shown in all these class games and if the spirit prevalent at that time continues to be shown, nothing but successful football teams can result for L. H. S.

BOYS' VARSITY BASKETBALL

The expectations of a championship 1930-31 basketball team were shortlived as the Maroon and White team, after losing its opening independent games to Nesquehoning and Summit Hill, found itself on the short end of the score of its opening league game.

Winning but one of its first four games, the high school team prepared for the annual Alumni game with a vigor which made things look bad for the graduates. After leading, the offense finally went to pieces and the graduates walked away with a 39-24 victory.

Never in the running for first place, the Maroon, however, kept Stroudsburg out by winning the both games scheduled with the Pocono scholastics. In the game played at Stroudsburg they flashed a style which would do credit to any team.

Although the 1930-1931 basketball season did not yield L. H. S. a majority of victories, all due credit must be given to the players for their efforts to uphold the spirit of good and clean sportsmanship.

JUNIOR VARSITY BASKETBALL

The Junior Varsity, future high team, played an eight-game schedule this year with members of the other schools.

The Junior Varsity as an organization deserves credit for the development of the varsity team. Their aims throughout the basketball season were to provide the best competition for opponents of L. H. S. Varsity and they therefore centered their efforts mainly to the development of the varsity.

In the schedule provided for the Junior Varsity they won but two of the eight games played.

GIRLS' VARSITY BASKETBALL

The 1930-31 Maroon and White sextette closed a very successful season, finishing in a third place tie with the Catasauqua team in the valley league. They also played a six-game schedule with independent teams, winning three and losing three.

One of these three victories was the annual Alumni game played on Christmas day.

They finished this season with a record of ten wins and eight losses, and have a very good standing as a result.

BOYS' INTER-CLASS BASKETBALL

The class of '31 upheld the Senior class records by winning the inter-class banner. However, it was only after a real old race was waged that the Seniors emerged victors.

Losing their first game to the Juniors and winning the other, a play-off game was necessitated, as each team beat the Sophs twice, and as a result lost only one game apiece.

In the play-off game the Seniors took an early lead and maintained it throughout, winning by an 18-13 score in a "hotly" contested battle.

Though the Sophs failed to win a game they threw many a scare in the upper classes.

The girls' interclass basketball games, started early in the season, furnished keen competition. The Junior girls emerged victorious with a clean slate of no defeats, thereby breaking the Senior championship record of former years.

The Seniors defeated the Sophs and Frosh and ended the season in second place. The Sophomore girls ranked third and the Freshman girls occupied last place.

VARSITY BASEBALL

SEASON OF 1930

With a nucleus of seven letter men to form the basis of the 1931 baseball team, prospects for the ensuing season are very promising. The 1930 team lost five and won five games for an even .500 percentage.

The first game was a tilt with the Lehigh team of the semi-pro league. The Panthers turned in a close 12-7 win over the scholastic team.

The second engagement, that with the Faculty, was a 17-3 win for the High School team. The two games played with the "old foes", Inter-Chunk, were both victories for the Maroon and White team.

INTER-CLASS BASEBALL

SEASON OF 1930

The third season of inter-class baseball saw a new champion crowned for the first time since inter-class baseball was started in L. H. S.

The Junior team class of 1931, broke the eight-game winning streak of the class of 1930 and thereby annexed the 1930 crown by going through an undefeated season.

The Frosh, usually last in inter-class sports, ended in third place, thereby forcing the Sophs in the cellar with three defeats and no wins.

VARSITY TRACK

Season of 1930

The 1930 Varsity Track team of Lehighton High School opened their season by competing in the Coaldale meet, held at Coaldale, on Saturday, May 3. They were placed in class A, competing with teams like Reading and John Harris High. As a result of their high rating they returned home with no places and no points.

The second meet of the season was the annual Franklin and Marshall Interscholastics held at Lancaster, Saturday, May 10. In the Junior High events Lehighton placed second in the 60-yard dash and first in the broad jump. This was the first time an L. H. S. team was represented in a Junior High meet. The Varsity team, competing in class B, took second place in the mile relay, losing out to Lansdale in a close and exciting finish.

The second annual Palmerton dual meet was the following event on the team's schedule on Saturday, May 17. The Maroon and White team won a $63\frac{1}{2}$ to $43\frac{1}{2}$ victory over the Palmerton team.

The second last event of the season was the annual Perkiomen meet, at Pennsburg Saturday, May 24. The team competed in class D, but came home with no places and no points to their credit for the second time.

The windup of the Maroon Track season was the annual Carbon County Meet held at Summit Hill, Saturday, June 7.

INTER-CLASS TRACK

The fourth annual inter-class track meet attracted a large number of participants and spectators. The Juniors emerged victorious by defeating the Seniors in a close fight, in which Blank, class of '31, outscored Ashner, class of '30, by one point in a close individual fight for honors.

The meet was held before the start of the Varsity season and, as a result, much new and promising material was brought to light.

SENIOR HIGH GYM TEAM

This team upheld the reputation of last year and won the championship of Eastern Pennsylvania in the annual high school meet on March 28, 1931, sponsored by the East Stroudsburg State Teachers' College. Lehighton has been the first school to win two successive years.

The afternoon events consisted of marching and calisthenics by both boys and girls, tumbling by the boys and dancing by the girls. Stiff competition prevailed throughout. The scores were as follow:

Lehighton	1435	Tannersville	1277
Pottsville	1402	East Stroudsburg	1270
Palmerton	1278	Moscow	1224

The evening's program, consisted of heavy apparatus work on the horizontal bar, parallel bars, and horse. Lehighton and Pottsville were the only two schools competing in this event. Pottsville took first place here.

A dinner was given to the teams after which an exhibition by the East Stroudsburg Varsity Gym Team was witnessed.

The 1931 Champions are:

Matrona Walck	'31	Robert Hontz	'31
Marion Bock	'32	Guy Markley	'33

JUNIOR HIGH GYM TEAM

This is the second year that L. H. S. has boasted of a Junior High Gym Team. It has proven its worth in that two of last year's team are now on the Senior High Team.

This group did not engage in any competition this year simply because no Junior High meets were staged in this section. However they demonstrated their ability in the gymnastic field at our annual Junior and Senior High exhibition.

The personnel of the team is as follows:

Ruth Balliet

Anna Peters

Mary Christman

HIGH SCHOOL ORCHESTRA

The High School Orchestra consists of seventy-three instruments, ably played by boys and girls from both the Senior and the Junior High School. The orchestra furnishes the music in assembly every Monday morning. This organization, led by Mr. Yenser, is an asset to our school and should be appreciated by every pupil.

The high standards of attainments in music which have been set by L. H. S. orchestras are being maintained chiefly through a Junior High School orchestra. This latter organization, working from the rudiments of music upward, forms a source of material for the Senior orchestra.

HIGH SCHOOL BAND

The Band, due to the splendid co-operation of its members, has proven itself a distinct credit to our High School.

Its parading on the streets of Lehighton not only brings to the minds of many townspeople that a football game is about to take place, but its snappy playing also keeps the spectators in good spirits between halves, especially on those cold, windy, and sometimes rainy days.

The Band is also a concert organization and has demonstrated excellent ability in stage performances.

With a considerable amount of available material in resource, there is no fear that this beneficial organization will perish in the near future.

SENIOR CLASS PLAY

"To the Ladies"

On Thursday, February 5th, the Senior class presented "To the Ladies", a Connelly-Kaufman comedy drama, in the High School Auditorium.

In the cast was "Freddie" Kistler, who played the clerk, Leonard Beebe. He borrowed money on his piano to buy a Florida grapefruit farm he had never seen.

Harry Febich, overflowing with dignity, power, and all the people in the cast working for him, was the owner of the Kincaid Piano Company.

"Betty" Deiterich played as Mrs. Beebe, a very good wife. She helped Kistler, her husband, in more ways than one.

The gentleman who messed things up thoroughly was "Skipper" Bretney. He proved the law, "Great Minds Run in the Same Channel", still holds.

There was a banquet scene and the inevitable stories, especially the one about "The Seasick Passenger".

In the end the wives proved their power over their husbands and Leonard attained the position as secretary to Mr. Kincaid.

The Shuler sisters are bequeathed five hundred dollars and an old house in the Berkshires. According to the terms of the will, if at the end of ten years they have turned the five hundred dollars into five thousand dollars, they are to receive fifty thousand dollars. They turn the old house into an inn but no guests arrive. At the time the play opens they have spent all but a few dollars of the five hundred. William, the clever young fellow whom they have hired for a room clerk, takes matters into his own hands and advertises in the papers that Boris IX., Prince of Valencia, is to be a guest at the inn. But the thing that baffles William is the appearance of a man calling himself the Prince. Mr. Weatherbee, a guest at the inn, proves to be the uncle of the girls and William, the real Prince.

DEBATING AND ORATORY

This year Mr. Neihoff turned out exceptionally well trained debating teams. The members selected were: Affirmative, Eugene Haiges, Mary Kramer, and Grace Monk as alternate; Negative, Robert Kunkle, Edith Nothstein, and Edward Hough as alternate. The question debated was, "Resolved that an Old Age Pension Legislation be enacted in the State of Pennsylvania." At the home debate with Palmerton the Affirmative team won, while the Negative lost at Palmerton. The Negative team journeyed to Summit Hill for the second debate where they were again defeated, but the Affirmative trio counterbalanced the loss by being victorious in Lehigh. Besides the debating on the regular schedule the teams appeared before several local organizations.

From the elimination contest, Marion Gilbert emerged as the L. H. S. representative to the county Oratorical Contest held at Nesquehoning on April 24. Marion orated on the timely subject of "Depression", giving the cycle of the same from Biblical times. Dorothy Dreher was second, and rightly so, for hers was a very appealing oration on "Mother".

In the boys' Preliminary contest, George Frehulfer received first place for his splendid oration on "War". Carl Yenser was second with his presentation "The American Indian". The Boys' County Oratorical Contest was held in Lehigh High School on April 10. The results were not what we had hoped they would be, as Lansford was first, Nesquehoning was second, and Lehigh third, missing second place by one point.

TOM'S UNEXPECTED PUNISHMENT

"Hey, Bob, gimme the answer,"
Whispered Tom to his neighbor;
"I helped ya lots o'times ya know,
An' I deserve at least that favor."

"Thomas," said the teacher, angrily,
"Come up here to me."
Tom went and, oh, my gosh,
What he got you'll see!

Miss Green put plaster o'er his mouth,
For the whispering he had done,
For causing a class disturbance,
And to stop his having fun.

Tom was in a terrible plight;
I did with him agree,
But I said it was his fault;
He oughtn't be so free.

They all went out for recess,
Except Tom, the Miserable,
Who, when relieved at half past three,
Made himself invisible.

Support of National Service
Gained in the Drive

The newspaper drive, first led by the United Church of Christ, has gained considerable support from the National Service community, according to a report by the National Service Council, which is the national headquarters of the drive.

The drive, which is a part of the National Service Council's campaign to raise funds for the National Service, has been successful in obtaining the support of many newspapers, and the drive is expected to continue for some time.

The drive is a part of the National Service Council's campaign to raise funds for the National Service, which is a program of the United States Government to provide training and experience for young men and women.

EDITORIAL

IN RETROSPECT

The fourth volume of the Leni-Lenapian is off the press, marking another year in the successful publication of a school journal by inexperienced hands. Eighteen issues of interesting news and facts were published bi-weekly in a four-page paper and delivered to half the student body, forty-six alumni, the faculty, five ward teachers, and forty townspeople. Three issues, the first, which was published one week after school opened, the second and ninth, were distributed free to all the students. A special 'two-bits' issue—a double edition, spon-

sored by the Chamber of Commerce and Progressive Merchants association followed the Easter number.

This student publication has a circulation of five hundred and a large exchange department with comments from high schools all over the United States on our editorial policy, cartoons, and well-balanced news. It is given a Pennsylvania School Press association rating of 72%. Last year the National Scholastic Press association awarded it a second class honor rating. It is welcomed in the home rooms every other Tuesday by the student readers. Alumni everywhere patiently await the arrival

The editorial board is divided into four branches: news, make-up, editorial (page), and business management. Assistant editors, writers, circulation managers, and reporters compose the remainder of the organization. With our faculty

advisor, the paper is published without a deficit, sans advertising, and positions on the board are held entirely on merit.

Surely with extra-curricular activities as a rainbow, the industrious adventurer will be well pleased with his pot of gold—knowledge of how to do things well.
